

I acknowledge that this is a spiritual journey and ceremonies, not a therapeutic process, which has been organized and led by private individuals working as unpaid volunteers. I take full responsibility for my health, well being, behavior and experience during the journey/ceremony and the subsequent there to. And agree to exercise appropriate care and awareness during the process. I have considered the risks inherent in an intense spiritual journey/ ceremony as such (darkened spaces, emotional stress, altered diet and sleep patterns, etc.) and accept them as my responsibility in consideration for permission to participate. I release, hold harmless and absolve the organizers and leaders of the event and the owners of the property where it is held from any and all responsibility and/or liability arising from any physical or psychological accident or injury during or as a result of the ceremony. In case of emergency I request and give permission to the organizers to contact the person listed to secure appropriate treatment at my own expense.
